

Adapted Program Approach during Coup Crisis

Do's

- Community-Based Service Deliveries
 - SBC: Depending on the community lead program (eg. Care Group Mother Model)
 - Volunteer-based service deliveries
 - Tools: Revision of the simple Essential Nutrition Models
- IYCF-E interventions/IMAM
- Local Level government engagement (Communications)

Don'ts

- Financial support to SAC staff
- High Profile Engagement
- Direct Communication with SAC
- Health System Strengthening activities
